Re: The Resort at Eagle Mountain Lake Pet Rules in the Community

Dear Residents,

As we begin Spring and the weather is ideal for outside activities, we would like to take this opportunity to remind you of the Rules pertaining to pets and dogs at the Resort. Our goal is to prevent any negative interactions between pets and Resort residents and for your convenience we have listed the three main rules for your review below:

1. Keep your pet on a leash anytime they are out in the community (Rules & Regulations 5.5);
2. Clean up after your pet (Rules & Regulations 5.4);
3. Any pet deemed dangerous or a nuisance by the Board of Directors could be subject to removal (Rules & Regulations 5.7).

Thank you for your attention to this matter as we strive to help you maintain a safe and beautiful community. If you have any questions or concerns, please contact us at <http://essexhoa.com/contact-us.aspx>.

Regards,

Sean Corcoran, Association Manager,
